Word of Life

“Virgin of Guadalupe, Patroness of unborn children, we implore your intercession for every child at risk of abortion. ...Guide our public officials to defend each and every human life through just laws. Inspire us all to bring our faith into public life, to speak for those who have no voice. We ask this in the name of your Son, Jesus Christ, who is Love and Mercy itself. Amen.”

Important Note: Bulletin deadline is being changed from 9:00 AM Friday's to 2:00 PM Wednesday's starting this **Wed April 26 and going forward** to get ready for the upcoming change in pastorates.

Please Note: Sorry there are no more open dates available to schedule Mass Intentions at St Anthony's until the new pastorate finalizes plans for weekday and weekend Mass times, which will take effect on Wed July 5 at noon. There are several unscheduled Mass Intentions that will be need to scheduled prior to receiving anymore intentions, however. As soon as dates become available a notice will be put in the bulletin and an announcement will be made. This only affects St Anthony at this time.

Next week April 29-30 we will take up the **Catholic Home Missions Appeal**. Today, nearly 40% of dioceses in the United States and its territories are unable to fund the essential pastoral work their communities need. Your support of the this appeal helps them meet these faith formation and sacramental needs. Please prayerfully consider how you can support this appeal. There are envelopes at the back of church or in your collection boxes if you wish to donate.

Rogation Days

One event that is often highlighted in publications focusing on Catholic rural life is the Rogation Days procession. The Litany of the Saints and Psalms that are used pray for all sorts of things that are not limited to agriculture, but the image of a cross leading a procession amidst fields and flocks is the one that sticks in people's minds. Rogation Days are named for the Latin verb *rogare*, "to ask," and are observed with solemn procession while singing the Litany of Saints, the Penitential Psalms, and several other prayers for God's blessings and deliverance from evil. Fasting, abstaining from meat, and other forms of penance are also encouraged on these days.

The Major Rogation, on **April 25** each year, is likely the earliest one observed, probably to counteract and replace the pagan Roman festival of Robigalia, held on the same date with public games and the sacrifice of a dog to the false god Robigus for the protection of grain fields from disease. Rogation Days retain this agricultural connection, and besides the Litany and procession, the blessing of fields and flocks became customary in many places on these days. The Minor Rogations (held on the three days leading up to Ascension Thursday) were introduced around the year 470 in France by St. Mamertus, bishop of Vienne, and observance spread out from there, eventually extending to the whole Church. Both the Major and Minor Rogations came to be observed in the same ways.

We'll plan to have a procession in Hoven this Tuesday, following the 5:15 pm Mass. The procession should start close to **5:50 pm**. We'll plan a few more during the Minor Rogations as we get closer to those. Another tradition that developed with Rogation Days was called "beating the bounds," to actually make a procession along the parish boundaries, but considering that these two parishes have a perimeter of approximately 210 miles, from the Missouri River up to Hillsvew, we'll probably just be making the procession around the block instead. Please plan to join us this Tuesday as we ask God's blessings and protection upon our world, our parishes, families, and growing season.
