Father Michael's Musings

The corn is, as I have been told, supposed to be “knee-high” this week, and it probably is because it has been a lovely growing season so far in our part of the state.

Summer growth is obviously a huge part of our life, where our food comes from, our nourishment, our survival.

It is also a reminder that we are supposed to keep growing as well. That is also a part of our nourishment and our survival.

Make sure you are taking time these growing days to grow in your relationships with family, friends, your Church and the God who loves you.

Take time to be renewed and refreshed in his love and grace these summer days.

When we become stagnant in our relationship, when we stop growing, we become bored and perhaps lackadaisical in showing our love and support, or even of living our faith.

Long summer days are the perfect reminder for us on how to live, and live fully, every day.

Make the effort and grow in the Lord's love!

TAKE OFF MY NAME.....Did you sign the abortion petition being circulated in South Dakota and now wish you hadn't signed it? A recently passed law now makes it possible for you to remove your name from this petition, which could keep it from getting onto the ballot this November. Keep South Dakota's babies safe by giving them the dignity and life they deserve as children of God. **Visit www.takeoffmyname.com** to learn more.

Joint Statement on the certification of the abortion petition

On May 16, 2024, the South Dakota Secretary of State certified for the November 5, 2024 election ballot a proposed constitutional amendment that would legalize abortion through all nine months of pregnancy. The Secretary has designated the proposal as Amendment G. Check out the joint statement from Bishop DeGrood and Fr. Daniel Juelfs, Diocesan Administrator for the Diocese of Rapid City at the below link:
