Father Michael's Musings

Let's be honest, chances are most of us are not going to go to a foreign land and proclaim the Gospel there.

But we can support those who have the courage to travel to far off lands to bring the gift of the Good News to hearts hungry for it.

Most of us would be too uncomfortable to go door-to-door asking people if they would like to learn more about the Catholic Church.

But we can share the Gospel by our simple, and daily acts of courageous love lived in the world. We do these things BECAUSE we are Christians, and these acts become a witness and a proclamation of the Gospel.

On this World Mission Sunday, by financial support, we help with the mission of the Church, and with our daily Christ-centered love, we also support that same mission.

At home, or abroad, we proclaim the power of grace, teaching us how to live and love.

Remember, your town is also a missionary field. Be who you are called to be by Christ...there.

Are you or anyone you know interested in exploring the Catholic Church as your church home? We will help you to learn, grow, find community, and prepare for the fullness of life that God desires for us all! As Jesus promised, "I came that they may have life, and have it abundantly." The Extreme Abortion Constitutional Amendment

A proposed South Dakota abortion Constitutional Amendment would be one of the most extreme abortion laws in the nation.

Abortion from conception to birth, even the most horrific late term abortions, would be legalized in South Dakota.

Everything we've fought for to protect life is on the line. We need you. Together, we must defeat this abortion constitutional amendment.
