Father Michael's Musings For Feb 7 & 8

February 2 is the Feast of the Presentation of the Lord and is considered the official end of all Christmas celebrations.

It is a blessing that we end with this festival of light because, as we may have noticed, the days are getting noticeably longer.

The Church celebrates this gift by honoring the Light which is Christ, "Light from Light," in the world.

It is a reminder, even more powerful than a groundhog, that winter will end and spring will come again. This makes it a feast of great hope.

Hope because of light, hope because of spring, and hope because of the beautiful words spoken this day by the devout and righteous Simeon. An old man, holding the child he has been waiting for throughout the years, is at peace with his own death. He may go in peace, his eyes had seen the salvation prepared, a light to the nations and the glory of God's chosen people.

Hope is an amazing gift, and a difficult one to embrace. Yet the beauty of this feast is a renewal of this gift in our lives as well. Until we embrace the fullness of unfailing love, we walk by faith, and with hope.

May Christ shine upon you this week.
