Father Michael's Musings

Most of us love a good cup of coffee in the morning, and I know it is an essential part of my time spent in vigil and Morning Prayer each day.

We also have a chance to turn that morning gift into something which helps others in a unique way.

"Knights Coffee" has partnered with the Knights of Columbus to provide a cup of coffee that strengthens the Church and supports our brothers and sisters. They have established coffee plantations in Central America run by Catholic families where laborers are given a just wage and the dignity of work.

The beans are roasted, packaged and shipped by Catholics working together on mission to support human labor and dignity.

Finally, they are a non-profit group, so 100% of their profits go to individual dioceses to support seminarians in need of financial assistance.

When you order your coffee (subscription or one-time purchase, whole bean or ground), you just click on the Diocese of Sioux Falls to support our men in formation.

I have never used this space for a "commercial" before, but this is such a wonderful idea that I couldn't help but spread the word (and I ordered coffee as well). You can reach them at **www.knights.coffee**

Morning coffee is even more awesome when you know its done some good. I trust everyone is enjoying these beautiful late autumn days, the amazing sunsets, and the wonder of God's great love. You are loved, so deeply.

Have an amazing week!
